

# College of Homeopaths of Ontario

## 2020 - 2021 Strategic Goals & Objectives

Key Result Areas		
Deliver on Legislative & Legal Mandate	Practice Good Governance	Achieve Growth
Participate in the MOH Cycle 1 of College Performance Measurement Framework	Preserve cash reserves at 2019 year-end levels	Monitor the number of registrants by supporting new applicants and optimizing retention
Launch the Quality Assurance Self-Assessment Process	Implement technology infrastructure enhancements to support regulatory functions and programs	Support the CHO and its members to navigate the COVID-19 pandemic
Implement the College's Patient Relations Program aimed at preventing and dealing with sexual abuse of patients.	Explore strategies to maximize the skill, participation, and experience of volunteers/Council members on all CHO committees/panels	Assess the impact of the pandemic on the requirements for 2021/22 membership renewal
Establish a regulation controlling the practice of spousal treatments	Review the governance policies in the College's policy manual	Launch initiatives that will support long-term improvement to patient care which will also benefit the growth and viability of the profession of homeopathy in Ontario
Ensure compliance with 2018 Fairness Commissioner Assessment Report	Create a Council and committee education/training plan	Educate Insurers on homeopathy services and billing practices and the standards/guidelines which apply to CHO registrants
Monitor the advertising on electronic media of Homeopaths across Ontario to ensure compliance with professional standards	Adopt a framework to review organizational functions to avoid and reduce systemic racism	Identify opportunities for CHO members to participate in Integrated Health Delivery Models
		Identify resources to evidence and model the significance of interprofessional collaboration to support improved patient care

Approved by CHO Council, October 1, 2020
