

College of Homeopaths of Ontario Executive Committee Meeting Reports

Executive Committee Report College of Homeopaths of Ontario (CHO) Tuesday, July 20, 2021 (Teleconference)

Purpose of Meeting: To review, with legal counsel, the College's bylaws related to the election of the Executive Committee and to confirm the process going forward. To confirm the date of the next Council meeting.

Items Covered:

1. Received a presentation by the College's legal counsel on bylaws related to the election of Executive Committee members, considering them in the context of both legislation and the entirety of the College's bylaws and mandate.
2. Identified the need to clarify bylaws to define the term of the immediate Past President and confirm that the Past President is not a Council member unless duly elected as one.
3. In light of two unsuccessful attempts to identify an earlier date, confirmed that the next Council meeting would be held on the already-scheduled date of October 21.
4. Confirmed that, with the first Council meeting after the election of Council members set for October 21, Council terms would end/begin accordingly. That is, the term for B Sharma and A Ahmad will begin on October 21, with P Joseph's term ending the night before.
